

Creekview Cheer Parent Constitution 2025-2026

Program Statement and Purpose: Creekview High School Competition Program is a united group of student athletes that support our school's mission statement in the pursuit of excellence. We are determined to excel in academics, athletics, and our moral character. We encourage athletes to be respectful students and seek growth opportunities while learning. We challenge athletes to continually be their best in their skills and remind them that they are accountable for their own abilities. Most importantly we guide athletes in strengthening important characteristic traits that will last a lifetime. These characteristics include leadership, integrity, kindness, sportsmanship, perseverance, and commitment. These characteristics are regularly defined, spoken about, and embodied at all practices, competitions, and events. As cheerleaders, it is our job to support all sports and extracurricular programs at CVHS. We are dedicated to lifting the spirit of Creekview by walking in kindness and positivity and by committing our actions to high standards within the community. It is our responsibility to set the best example possible for all present and future Grizzlies.

You have a major influence on your student's attitude about academics and athletics. YOU and the leadership role you take will help influence your child and our community for years to come.

Expectations include but are not limited to:

- **Encourage and promote your athlete's advocacy skills when concerns arise.
